

Dartmouth Club of the Upper Valley

Enriching Your College and Yourself

Dear members,

This is our first attempt to put together a full color PDF Newsletter. It will be e-mailed to all members that we have a valid e-mail address for as an attachment. Dartmouth Classes are now using this technique and the attachments are rarely blocked.

We will also mail copies to all for this issue and at least those that we do not have an active e-mail address for in the future. If you want the full color issue, make sure we have your e-mail address when you send in your dues for the coming year. Let us know what you think of this new system.

A Letter From Our President

Hello DCUV members.

A brief recap of September: The September reception with Haviland Smith was timely and thoughtful and as usual, the DCUV membership was not shy with its questions. Despite the thunderstorm, Mark Breen gave an engaging talk on the constellations recognizable in the fall sky in this area. The kids who attended were very into the conversation and we hope to add more kid-friendly events like this as the year progresses.

We are preparing the winter calendar and will communicate to you as the plans are finalized. For the remainder of the fall, we have a great speaker for Nov. and a new behind-the-scenes event planned - a private tour of the Simon Pearce glassblowing workshop in Windsor.

We are also extremely pleased to announce a DCUV reception and program with President Kim in early November. The invitations have gone out so RSVP and attend this special event.

We look forward to our 2010 season of events and hope that you will join our membership.

Sincerely, Caroline Cannon,
President

Highlights of several of the many DCUV events held so far this year!

The Annual Meeting and Banquet was held on Tuesday, May 19, at the Top of the Hop and Alumni Hall with a large attendance. The head table is on the left with retiring President of Dartmouth James Wright '64a and his wife Susan '69a sitting at the back of the table along with other DCUV Board members and special guests. Carey Heckman '76, sitting next to Susan was honored for his many years of service to the DCUV; as our secretary, membership recorder, our website and letter editor! On the right, the Wrights were honored by our DCUV president, Caroline Cannon, TU98 and her husband with the presentation of a special Simon Pearce engraved lamp. Both Jim and Susan were wonderful friends and we do hope to see more of them!

Our annual summer picnic was again held at the DOC House on Ocom Pond with a free cook out for all DCUV members. Above, we recognized local undergrads' and their families - particularly from the new class of 2013.

Below the Summerphonics sang for our pleasure (and their meal). Our senior member, Hal Ripley '29 talked to Bd. Member Chuck Sherman '66

Hot off the press is a photo of our latest, October 20, third Tuesday, Top of the Hop speaker Charlie Wheelan '88. He is standing between our President Caroline Cannon on the right and Bd. Member John Everett '68. Introduced by his friend, John Engelman '68, he gave an enlightened talk regarding needed changes in our health care system.

He has written two books including Naked Economics- now published in 10 languages and has a special, one year assignment to teach economics and public policy at the Rockefeller Center!
