"I would like to thank you for the book award I received this spring. In addition to the honor associated with the award, I am thankful for the thought provoking book and speech that accompanied it. I appreciate the role you and your fellow Alumni Club members play in the Upper Valley community."

Gregory receiving his book from Professor Donald Pease. (We do have other photos of individuals. If you want one, identify yourself in the group photo in the June letter on the web site and send a note to:)
