Other fun DCUV events that took place this summer since our last Newsletter

On Sunday August 2, DCUV Members were treated to a very enjoyable tour of the Marsh-Billings-Rockefeller National Historic Park in Woodstock VT

Resident Naturalist Scott Davison took about 15 of us on a walk around the Billings property, gardens and the green forest.

One of the highlights was the magnificent Oak stump on the upper end of the property that was described by Scott.

After the tour we sat on the deck of the beautiful Billings Mansion to discuss one of the most influential Dartmouth alumni, George Perkins Marsh, Class of 1820. As a Congressman, Marsh's opinions molded institutions like the Washington Monument, the Smithsonian, and, unsuccessfully, the Army Camel Corps. But it was his study of languages and history, combined with Middle East travel as a diplomat, that led him to become an environmental prophet in 1864 when he published *Man and Nature*. This was one of the first books to suggest that humans could change nature.

Clark has a copy from the Library - good but not easy reading.

**Annual DCUV BBQ at the Ledyard Canoe Club on the river!
Sunday, August 9**

The Ledyard Canoe Club again generously allowed us to have a BBQ at their location on the Connecticut River with free use of their canoes and kayaks. About 20 members participated on a beautiful day. Many thanks those that brought very special pot luck treats to supplement the burgers and hot dogs that were cooked by our President Henry Nachman at the grill. We were very honored to have the Ledyard Canoe Club President, Michael Baker (in the red shirt above) join us for conversation and a short talk about Dartmouth's plan to possibly replace the main building that the Club has on the river shore.

**BBQ at the DOC House on Occum Pond on Sunday, August 23
To welcome Incoming Upper Valley Dartmouth Class of 19 Freshman and their families**

This annual event to welcome local incoming freshmen and their families to the Dartmouth campus was attended by about 30 folks including 6 incoming freshmen and their families.
