## September 2016 Newsletter

### Update Notice regarding our Newsletter distribution

Newsletters are sent out by e-mail in full color PDF files to all members and non members on our distribution list for which we have an e-mail address. A black and white printed copy is mailed third class only to those paid members for whom we don't have an e-mail address, meaning that it does not get to the recipient until a week or two after the electronic version is sent.

Due to the cost and delays of mailing we made the decision to not send printed copies to anyone that we have an e-mail address for unless you specifically request it. If a member needs a printed copy you may send a note to Cheryl Abbot at: [membership@dcuv.org](mailto:membership@dcuv.org) If you presently receive only the black and white printed copy and have a good email address you could also send Cheryl your e-mail address and receive only the electronic color copy which can be printed or expanded in Adobe Reader, a free download" <https://get.adobe.com/reader/>.

Our fiscal year and membership year started July 1, so if you have not renewed your membership please go to page 4 to pay dues and update your membership. It is also suggested that both members and non members can obtain DCUV information and join electronically at: **[www.dcu.org](http://www.dcu.org)**

## Past events to report on since our Last Newsletter

### Hike and picnic at Class of 1966 Lodge. July 30th

This event organized by Chuck Sherman gave us a very nice 30 minute hike into the beautifully constructed Lodge that his Class built which replaced the Fred Harris Cabin and is just off the Appalachian Trail.

Chuck with his dog met most of us on Three Mile Road ready for the hike into the lodge

Most of us had a lunch around a big picnic table on the deck. Note the young pre Dart. children on the end.

A view of the log structure lodge as you approach it.

When the original Fred Harris Cabin burned down about the only remaining feature that was saved was this native stone fireplace.

## The Annual Ledyard Canoe Club Picnic/Barbeque on August 7.

The sun shone brightly on the Connecticut River and our group enjoyed the free use of canoes, paddle boards and kayaks plus burgers and dogs with salads and desserts brought by participants. Around 18 participated. A good time was had by all.

Canoe Club President, Jesse Feldman-Stein visited with us, had lunch along with other Club members and gave us an update along with showing us drawings of the plan to replace the present building.

## Annual DCUV welcoming party for incoming local area admits to the Dartmouth class of 2020 and their families.

The event took place at the DOC House on a beautiful evening on Occum Pond on August 19th. It included a very nice barbecue hosted by John Engelman and was free for all DCUV members who did bring tasty salads and desserts.

The class of 2020 students who were at the picnic with their families were Anna Whitney, Michael Suriawinata and Hana Dai standing in the front row.

A group photo of the attendees at the gathering with the three new 2020 classmates standing in the front.
